Purchaser(s) shall select the colour and material from Vendor's standard samples only (one laminate floor colour and one paint colour per suite).

Purchaser(s) may select upgraded materials from Vendor's samples and shall pay the upgrade costs at the time of colour and finishes selection.

Vendor reserves the right to make reasonable changes in the opinion of Vendor in the plans and specifications if required and to substitute other material or finishes or that provided for herein with material or finishes of equal or better quality than that provided for herein. The determination of whether or not a substitute material or finish is of equal or better quality shall be made by Vendor, in its sole, absolute and unfettered discretion, which determination shall be final and binding. Purchaser acknowledges that colour, texture, appearance, grains, veining, natural variations in appearance, etc. of features and finishes installed in the unit may vary from Vendor samples as a result of normal manufacturing and installation processes and/or as a result of any such finishes being of natural products (i.e., due to the inherent nature of the material itself) and Purchaser agrees that Vendor is not responsible for same. Vendor shall not be responsible for shade differences occurring in the manufacture of items such as, but not limited to, finishing materials or products such as carpet, tiles, granite, marble, porcelain, laminate flooring, engineered flooring, bath tubs, sinks and other such products where the product manufacturer establishes the standard for such finishes. Nor shall Vendor be responsible for shade differences in colour of components manufactured from different materials but which components are designed to be assembled into either one product or installed in conjunction with another product and in these circumstances the product as manufactured shall be accepted by Purchaser. Purchaser acknowledges and agrees that carpeting may be seamed in certain circumstances and said seams may be visible. Purchaser acknowledges and agrees that pre-finished wood flooring (if any) or any engineered wood flooring (if any) may react to normal fluctuating humidity levels inducing gapping and cupping. Purchaser acknowledges that marble and similar stones (if any) are very soft stones, which will require a substantial amount of maintenance by Purchaser and are very easily scratched and damaged. Plan and specifications are subject to change without notice.

Where bulkheads are installed and where dropped ceilings are required, the ceiling height will be less than stated, as per Vendor's plans.

All plans, elevations, sizes and specifications are subject to change from time to time by Vendor without notice. E. & O. E.
